

A cornerstone of Operation Living Hope's (OLH) way of relationships with others is respect for every individual regardless of race, color, sex, religion, pregnancy condition, nationality, age, sexual orientation, gender identity and/or expression, veteran's or marital status, disability or any other cultural factor.

We are collectively stronger through an inclusive culture. OLH is committed to not only create and maintain, but also leverage and value the richness of a diverse workforce so that every volunteer has an equal opportunity to contribute in significant ways to the effectiveness of the organization. Our volunteers will be highly regarded for valuing others and promoting the right of every person to reach his or her full potential.

**Psalm 119: 105** Your word *is* a lamp to my feet and a light to my path.
